II.B.2.6

How are comparable services provided to (remote access) DE/CE students and students at offsite locations?

1. WMS Discovery Tool

(a.) The WorldCat widget for “Everything” search (on Library Homepage) provides a list of results which include a variety of Library items and those held by other libraries found by the WMS Discovery Tool.

(b.) Advanced Search (from link on Homepage) which allows for refined searching of the WMS Discovery Tool and provides a list similar to (a.)
(c.) The “Search All Sources through WorldCat” option on the Library Homepage (under the “Books, Articles & More” Tab) provides the same functionality of the WMS Discovery Tool as (a.)

(d.) The “Search for Library Items” on WorldCat Home (under “Search” Tab) provides the same functionality of the WMS Discovery Tool as (a.)
