In-Class or In-Center Presentation

Would you like a Tutorial Services representative to tell your students about the services we offer? In ten minutes or less, we can give students information about our location, hours, and types of services. We also use the opportunity to give students an overview of what they can expect when they come to Tutorial Services. Please contact Lester Lawenko via email at llawenko@mtsac.edu.

Mission
In order to strengthen scholastic achievement and motivate academic discourse within the multifaceted community of Mt. San Antonio College, Tutorial Services is dedicated to providing students and community members with drop-in tutoring, Supplemental Instruction, and study groups that promote independent learning, the acquisition of the tools and resources necessary to take control of one's education.

Vision
In the interests of quality service and academic achievement, Tutorial Services creates a learning environment that provides students with access to tutors and resource materials of superior standards. We provide comprehensive and progressive training for our tutors and staff. Through these means we develop students’ desires to successfully meet and surpass their academic and vocational goals.
