Scoring Your Samples, Instructions  
Finding & Evaluating Articles Assessment, Spring 2016  
June 1, 2016

What to do?
Score your sample based on the shared understanding of how to apply the rubric. The shared understanding was established at the June 1, 2016 faculty meeting. (If you were not at that meeting, please read the minutes and check in with Pauline before you start.)

Write Y, N, or NA on the left side of the heading on the handout – just like you did for the 3 samples during the norming process.

When to do it?
Please give your completed packets to Pauline by June 9th.

Where’s the rubric?
A revised rubric will be emailed to you and posted in our shared workshop folder in Google Drive after our June 1st meeting. (Just in case we find during the discussion on June 1 that changes are needed)

Anything else?
Please keep your samples in your locked offices when you are not using them.  
Please keep your samples together as a set. (Due to the overlap for double-scoring.)
